

## **REASONS TO JOIN VIT CHENNAI**

My decision to join VIT Chennai is rooted in a deep respect for its dedication to establishing world-class educational standards and its commitment to continuous quality improvement. With my 25 years of experience in Computer Science and Applications, particularly my proven track record as a Head of the Department (HOD) and IQAC Coordinator for three successful NAAC cycles, I am uniquely prepared to contribute immediately to the institution's strategic academic goals. I am eager to apply my extensive expertise in Academic Leadership and Curriculum Development to enhance the teaching-learning process across various programs.

Dr. S. Gandhimathi.
